

KAM MEMBERSHIP

Thank you for your interest in the Kinvara Area Music Collective. Your annual membership will help support local concerts with outstanding musicians from around the world, help maintain a website with local music news and resources, and help music venues and opportunities continue to be an important part of Kinvara life and culture.

Your membership entitles you to the concession price at every concert you attend throughout the year, a potential benefit of well more than the cost of membership, and a vote for directors at the AGM. If you are a musician, your membership also qualifies you for a free page on www.kamcollective.com.
